

CHANGE OF START BOX LOCATION!

Redlands-Downtown YRE / Redlands-West YRE
Green Valley Gaiters Volkssport Club
EFFECTIVE JULY 1, 2010

The two Redlands, California year-round volksmarch events sponsored by the Green Valley Gaiters have a new home. You can now find the start box at the following location:

Redlands Family YMCA
500 E. Citrus Avenue
Redlands, CA 92373

All of the walking routes have been adjusted for this new official start/finish location. (Redlands-West remains a “drive-to” YRE, but you would still pick up your route map and instructions from the YMCA.)

Driving Directions to Redland Family YMCA / Registration Instructions: (See Map on Reverse Side)

From Interstate 10 Freeway in Redlands:

- **Eastbound:** Exit at Orange Street off-ramp, which actually deposits you onto Pearl Ave; continue straight ahead through two stoplights (Eureka St and Orange St); turn right at 6th St.
- **Westbound:** Exit at 6th Street off-ramp; turn left at 6th St.
- Continue ahead on 6th St across Redlands Blvd and State St; turn left at Citrus Ave (four-way stop); a short distance ahead, make a sharp right turn on Olive Ave, then make an immediate left turn onto Myrtle St. The vehicle entrance to the YMCA is the third driveway to the left on Myrtle, just before the fire hydrant. Find parking in the lot (if any).
- Inside the main entrance to the YMCA, find the start box in the Active Older Adults Activity Center, which is just ahead and slightly to the left (if you have trouble locating the room, ask the front desk staff to help direct you there). The box is underneath the prominent information table near the front-right side of the room. Please don't ask the YMCA staff about the volksmarch events—they don't have any information.
- After you register, please move your car out of the YMCA parking lot, finding available street parking nearby, or using the public parking structure at the corner of Citrus Ave and 5th St.
